Dear Sir

Yours of the 20th. ult to hand, and I am pleased to know that I have in a small way been able to assist you in getting information for your work on Blacksmiths.
I have been looking for varieties for some time, and I have only added 3 pieces during the last two years some of the varieties are very scarce I have had the B. 1008 large type since I was a boy at School (50 years ago with many other early canadians that are now very rare ~~now~~.

I have also found another variety of Ships Colonies & Commerce as follows Obverse of your No. 26. Reverse of No. 17. in very good condition

If I can at any time be of any service to you especially in Canadian coins I shall be pleased to aid you in any way that I can.

Mr. Heal is the only person in this City or County who knows what I have in my cabinets.

I wish to thank you for giving me any credit that you consider I am entitled to, and also to thank you for your kind offer

Yours truly
